It is our endeavor to give special service to our customers in that we will forward your requirements as efficiently as is possible. To assist us to provide and maintain this service, we require your co-operation in adhering to our **TERMS OF TRADING**.

1. Availability of goods at quoted prices is, of course, subject to prior sale. All Connector-Tech ALS quotation numbers must accompany your order.
2. **ORDERS:** We must have your order number, a delivery address for the despatch of the goods, together with an address for posting of invoice, and your preferred method of despatch. We also require the name, telephone and facsimile number of the person placing the order.
3. Prices are all variable depending upon our costs, (e.g. influences of exchange rate variations) and quotations will only remain valid for the specified term of each quote (see Para. 1).

RETURNS

- A. You must contact us for authorization of return before returning goods for credit.
- B. Claims for shortages or incorrect goods received must be made within ten (10) days from certified receipt date.
- C. Goods which are not normally carried as stock items, and/or have been ordered specially at a customer's request will not be accepted for return.
- D. Goods returned for credit must be in original packing, undamaged, unused and delivered FIS to Connector-Tech ALS with details of invoice or packing slip. Connector-Tech ALS will not accept inwards freight charges on goods returned unless we have authorized their return and the goods are returned by our nominated means of transport.
- E. A restocking fee of 25% may be applied at our discretion, to any goods accepted for credit.

CANCELLATION OF ORDERS

DELIVERY

A one-off charge per order (assuming total weight is less than 5kg) will be made and choice of delivery method will be at our discretion.

If you wish to specify the method of transport, the total cost and payment will be your responsibility.

Delivered goods are regarded as accepted (see Returns). A schedule of current delivery charges is available upon request.

PAYMENT

Payment will be **strictly net thirty (30) days from end of month**. Failure to pay within these terms may create a **stop shipment**.

Thirty (30) day accounts are traditionally established for mutual convenience and will be reviewed periodically. If an account does not comply with our **Terms of Trading** or is uneconomical to maintain, it may be closed. However, cash with order, COD, or Credit Card facilities will still be available for ensuing transactions.

PROPERTY

The property of the goods agreed to be sold will only pass to the purchaser when the purchaser has met all indebtedness to Connector-Tech ALS and has either duly taken delivery of the goods or the goods have been delivered in accordance with the purchaser's order. In the event of the recovery of the goods being necessary, Connector-Tech ALS reserves the right of entry to the premises occupied by the purchaser and shall not be responsible for any damage necessary in enforcing this right. If the goods are sold by the purchaser prior to payment thereof, or they should become constituents of other goods, then the proceeds thereof shall become the property of Connector-Tech ALS.

NO WAIVER OF BREACH

No breach by the customer of any of these terms and conditions shall be taken to have been waived or released by Connector-Tech ALS unless such waiver is in writing signed by a director of Connector-Tech ALS or an appointed representative.
